

# New England Excess Exchange, Ltd.

We Work Smarter For You

## INTRODUCING Matt Carbonneau AU, ASLI, AIC

Matt graduated from Vermont's Castleton State College in 2003 with a BA in Business Administration/Marketing and a minor in Economics. Later in the year he joined the NEEE, Ltd. Commercial Lines team, beginning his career in insurance.

Dedicated to increasing his industry proficiency, Matt earned his INS Certification in 2005, Associate in Commercial Underwriting (AU) in 2007, Associate in Surplus Lines Insurance (ASLI) in 2011, and Associate in Claims (AIC) in 2017. He is currently studying to obtain his Associate in Insurance Management (AIM).

### Matt specializes in risks for:

- Private Flood Program
- Subsidized/Student Habitational
- Mixed Occupancy Comm. Buildings
- Machinery/Equipment Installation, Servicing & Repair
- General Contractors

### Private Flood Program

Private Primary and Excess for Residential, Commercial and Condominiums Buildings. See our [Flood Program](#) for more information.

### Subsidized/Student Habitational

I'll work closely with you to provide the best quotes, terms and binders for these unique risks, and will consider: replacement cost, mechanical/equipment breakdown, ordinance/law coverage and business interruption insurance. Looking for schedules of all sizes, with or without losses.

### Mixed Occupancy Commercial Buildings

I have experience with these risks and will work hard to find your client the right coverage at the right price. I offer most types of mixed occupancies, as well as vacant with partial occupancy and renovation with partial occupancy, and have access to several premiere markets.

### Machinery/Equipment Installation, Servicing & Repair

Let me do the heavy lifting for your machinery and equipment accounts. I write bodily injury and property damage liability, equipment replacement or repair, other damaged property belonging to the insured, property of others for which the insured is liable, medical expense coverage, and will consider high limits.

### General Contractors—Residential & Commercial

I accommodate most General Contractor classes, and offer low minimum premiums on Office Contents and Blanket Additional Insureds. In addition, I entertain Contractors Equipment Coverage, Installation Floaters and other competitive advantages. For a quick quote send me a [Contractors Supplemental App.](#)

### Logging/Lumbering—CGL & Inland Marine

I have success with loggers and logging equipment such as chippers, loaders, delimbers, excavators, portable sawmills, skidders, slashers, tractors and more. I write mono-line or as a package with \$500 non-admitted and \$750 admitted premiums on large schedules or single unit risks. I'm very competitive on coverage and forms—send me your risks to quote and do a comparison!

### Hospitality/Liquor Liability

Let me tap in to your Hospitality accounts. I write an extensive selection of risks for Restaurants, Bars, Taverns, Hotels/Motels, Nightclubs, Social Clubs, Delis, Pizzerias, Caterers, Package Stores and more. I consider Spoilage, Equipment Breakdown, Value Plus Endorsement, Non Owned and Hired Auto, Assault and Battery, Business Income, Wind/Hail Damage, and offer \$1M/\$2M comprehensive GL and liquor liability limits.

Admitted market available in VT & NH. Non-admitted avail. for other states.

### Firework Stores

Property and CGL with products/completed operations. Year round fixed.

I look forward to assisting with your accounts!
